Dear Sir:

The correspondence address for U.S. Patent 7,134,242 (Application No. 10/671,301) should be Alston & Bird LLP, customer number 00826. We have discussed this matter with Amylin Pharmaceuticals, and they have confirmed that no such power of attorney should have been recorded for above patent.

To the extent it may be necessary, I have submitted herewith a general power of attorney from the Innovative Product Achievements, Inc., along with a Rule 3.73(b) statement attesting that they are the assignee of the entire right and interest.

All correspondence concerning the above-referenced patent should be sent to customer number 00826. Thank you for your assistance with this matter, and please do not hesitate to contact me if you have any questions or concerns.
